

derm choice.TM gel

derm health

For support of overall
dermatological health

Topical gel for Dogs

Item # 93-085
UPC 850004440063

Product Usage

Recommended for skin health and skin related support. Derm Choice Gel is uniquely formulated with Rosemary Oil, Tea Tree Oil, and Thymol to support skin health while naturally cleaning the dermatological environment. With ITPGSTM, a patent pending blend of bioactives providing additional activity, Derm Choice Gel is the veterinarian's premium choice for dermatological health.

Powered by ITPGSTM

ITPGS is a patent pending proprietary blend of bioactives that improve key nutrient absorption, supporting a healthy inflammatory and immune biomarker response, microbial balance, and antioxidant activity.

key product benefits

- **Derm Health-** supports overall healthy structure and function of the skin.
- **Immune Health-** supports overall immune system health.
- **Essential Health-** supports daily functions in aging related to overall health.

derm choice.™ gel
