

recov choice.™

energy support

Helps maintain electrolyte balance. Manages the nutrient uptake.

Gel for Dogs

Item # 93-075
UPC 850004440094

Product Usage

High energy/protein complex with electrolytes and probiotics in a convenient paste to help support the energy and nutritional needs of pets. Contains protein, amino acids, sodium, potassium and 1 billion CFUs (colony forming units) of a proprietary blend of probiotic strains/10g of product. With the addition of ITPGS™ a patent pending blend of bioactives, Recov Choice provides additional support for a healthy immune system and response. Palatable and easy to administer paste in a dial-a-dose tube.

Powered by ITPGS™

ITPGS™ is a patent pending proprietary blend of bioactives that improve key nutrient absorption supporting a healthy inflammatory and immune biomarker response, microbial balance, and antioxidant activity.

key product benefits

-  **Essential Health-** supports daily functions in aging related to overall health.
-  **Digestive Health-** supports overall digestion and gastrointestinal health.
