

# travel choice.™

## gut support

For support of a normal,  
healthy digestive system

### Gel for Dogs

Item # 93-090  
UPC 850004440100

## Product Usage

Recommended to provide support needed when dogs have sensitivity to travel, motion or environmental stress. Contains proprietary blend of Ginger Root and the well-researched active Gingerol, along with Folic Acid and ITPGS™, the patent pending blend of bioactives. Travel Choice is safe and effective for frequent and extended use. The palatable paste is easy to carry, store and administer with the dial-a-dose tube.

## Powered by ITPGS™

ITPGS™ is a patent pending proprietary blend of bioactives that improve key nutrient absorption supporting a healthy inflammatory and immune biomarker response, microbial balance, and antioxidant activity.

### key product benefits

- **Digestive Health-** supports overall digestion and gastrointestinal health.
- **Essential Health-** supports daily functions in aging related to overall health.

# travel choice.™
